Universidad de La Laguna

Department of Developmental and Educational Psychology

María Dolores García Hernández, Ph. D. in Psychology, is a Professor at the University of La Laguna. In recent years she is engaged in teaching and practice of social constructionism ideas for education. Thus, since 2010 her workgroup has launched the University Expert in Brief Systemic Therapies at the ULL. She is currently teaching New Perspectives in Educational Psychology on the Official Master's Degree in Educational Psychology and Current lines in Educational, Vocational and Psychopedagogical Assessment on the Official Master's Degree in Educational Guidance. One of her recent proposals which she especially appreciates is in the school context, together with a collaborative workgroup of teachers, counsellors and students of Nursery and Primary Education, she has developed an Appreciative Inquiry experience called Caleidoscopic Class, during the 2012-2013 academic year, published in 2014 in journal *Mosáico*, *Revista de la Federación Española de Asociaciones de Terapia Familiar*. 58.
